## NEW POSSIBILITIES

**E**VOK Mega Home Store that has just opened in Thane brings the concept of trendsetting home fashion through its premium range of living, kitchen and bath concepts. The store has over 16,000 world-class contemporary lifestyle products like home furniture, soft furnishings, home décor and accessories, modular kitchens, laminated floorings, bath fittings and lightings.

The EVOK Mega Home Store will also provide unique 'Design to Build' interior design services to its customers in the entire Mumbai region. The store will offer turnkey build solutions that range from procuring the products, to designing the spaces and installing them. These will be accompanied by benefits like warranty and very efficient after-sales service.
